

Friday, November 7, 2014

7:30 am Breakfast and Registration – *Sponsored by Children’s Hospital Los Angeles*

8:00 am **Children’s Hospital Los Angeles Grand Rounds George Donnell Lecture – Li-Fraumeni Syndrome: Beyond TP53**

David Malkin, M.D. – The Hospital for Sick Children

International Workshop on Paratesticular Rhabdomyosarcoma

9:30 am-10:15 am **Key considerations behind treatment strategies for paratesticular rhabdomyosarcoma by each cooperative group**

- a. Italian studies: *Andrea Ferrari, M.D.*
- b. SIOP MMT studies: *Michael Stevens, M.D.*
- c. CWS studies: *Ewa Koscielniak, M.D., Ph.D.*
- d. EpSSG studies: *Gian Luca De Salvo, M.D.*
- e. COG studies: *David O. Walterhouse, M.D.*

10:15 am-11:45 am **Management issues related to paratesticular rhabdomyosarcoma**

- a. Role of PET in assessing lymph nodes in patients with paratesticular rhabdomyosarcoma: *Suzanne L. Wolden, M.D.*
- b. Ipsilateral Retroperitoneal Lymph Node Dissection—acute and chronic problems: *Paul Kokorowski, M.D.*
- c. Hemiscrotectomy; the CWS experience: *Guido Seitz, M.D., Ph.D.*
- d. Compliance with surgical guidelines; EpSSG experience: *Hélène Martelli, M.D., Ph.D.*
- e. Risk and outcome of relapse in relation to a non-surgical strategy for staging of nodes; SIOP MMT experience: *Timothy Rogers, M.D.*
- f. Burden of therapy for treatment of paratesticular rhabdomyosarcoma—SIOP MMT: *Veronique Minard-Colin, M.D., Ph.D.*

11:45 am-12:30 pm **Meta-Analysis**

David O. Walterhouse, M.D.; Don Barkauskas, Ph.D.

12:30 pm Lunch – *Sponsored by Children’s Hospital Los Angeles*

International Think Tank on Pediatric Soft Tissue Sarcoma

1:30 pm-3:00 pm **Session 1: Genomics and Biology – moderated by Corrine Linardic, M.D., Ph.D.**

- a. *Philip Lupo, Ph.D., M.P.H. – Texas Children’s Cancer Center*
- b. *Jack Shern, M.D. – National Cancer Institute*
- c. *Sheetal Mitra, M.B., B.S., Ph.D. – Children’s Hospital Los Angeles*
- d. *Corrine Linardic, M.D., Ph.D. – Duke University School of Medicine*

3:00 pm Coffee Break – *Sponsored by Children’s Hospital Los Angeles*

Continued...

Friday, November 7, 2014 (continued)

3:30 pm-
5:00 pm

Session 2: Translation Science – moderated by Stephen Skapek, M.D.

- a. *Elizabeth Stewart, M.D.* – St. Jude Children’s Research Hospital
- b. *Charles Keller, M.D.* – Oregon Health & Science University
- c. *Peter Houghton, Ph.D.* – The Research Institute at Nationwide Children’s Hospital
- d. *Stephen Skapek, M.D.* – University of Texas Southwestern Medical Center
- e. *Janet Shipley, Ph.D.* – The Institute of Cancer Research

5:00 pm

Conclusion

Shuttle to Loews Hollywood will depart immediately thereafter from front entrance

7:30 pm

Dinner at Carousel, 304 N. Brand Blvd., Glendale, CA 91203 (RSVP REQUIRED)

A shuttle will be available from Loews Hollywood at 6:45 pm

Saturday, November 8, 2014

7:00 am

Breakfast and Registration

8:00 am

Introduction to Pediatric Soft Tissue Sarcomas

Leo Mascarenhas, M.D. – Children’s Hospital Los Angeles

8:30 am

Pathology of Pediatric Soft Tissue Sarcoma

David Parham, M.D. – Children’s Hospital Los Angeles

9:15 am

Molecular Classification of RMS and Cytogenetics of Soft Tissue Sarcoma

Stephen Skapek, M.D. – University of Texas Southwestern Medical Center

9:45 am

Molecular Markers for Risk Stratification in Rhabdomyosarcoma

Janet Shipley, Ph.D. – The Institute of Cancer Research

10:15 am

Coffee Break

10:30 am

Children’s Oncology Group approach to treatment of Rhabdomyosarcoma

Douglas S. Hawkins, M.D. – Seattle Children’s Hospital

11:15 am

European Pediatric Soft Tissue Sarcoma Study Group approach to treatment of Rhabdomyosarcoma

Michael Stevens, M.D. – University of Bristol

12:00 pm

Cooperative WeichteilSarkom Study Group approach to treatment of Rhabdomyosarcoma

Ewa Koscielniak, M.D., Ph.D. – Klinikum Stuttgart

12:45 pm

Lunch

Continued...

Saturday, November 8, 2014 (continued)

- 1:45 pm** **About The Pablove Foundation**
- 2:00 pm** **Treatment of Non-Rhabdomyosarcoma Soft Tissue Sarcoma in Children & Adolescents**
Sheri L. Spunt, M.D. – Lucile Packard Children’s Hospital
- 2:45 pm** **Surgical Considerations in Pediatric Soft Tissue Sarcoma**
David Rodeberg, M.D. – East Carolina University
- 3:15 pm** **Radiation Principles and Options for Pediatric Soft Tissue Sarcoma**
Suzanne L. Wolden, M.D. – Memorial Sloan Kettering Cancer Center
- 3:45 pm** Coffee Break
- 4:00 pm** **Late Effects of Treatment in Pediatric Sarcoma**
Saro Armenian, D.O., M.P.H. – City of Hope National Medical Center
- 4:30 pm** **Cancer Predisposition Syndromes in Sarcoma**
David Malkin, M.D. – The Hospital for Sick Children
- 5:00 pm** **New Drug Development in Sarcoma**
Peter Houghton, Ph.D. – The Research Institute at Nationwide Children’s Hospital
- 5:30 pm** Networking Reception – Conference Center Lobby

For Continuing Medical Education paperwork, please see the Registration Desk. Each session of the International Think Tank and Pediatric Soft Tissue Sarcoma Symposium has been filmed and will be available in the Pablove Vimeo Library (vimeo.com/pablove) in early 2015. Slide presentations will be made available by email after the conclusion of the program when content allows.

Please visit pablove.org/sarcoma2014/eval
to complete your Program Evaluation.

Thank you for helping us continue to fight childhood cancer with love!
